- ☐ Initiated by SDSS

The annual Adult Services Conference is scheduled for September 28, 29, and 30, 1992, at the Asilomar Conference Center in Pacific Grove, CA.

The theme of this year's conference is "ADULT SERVICES - MEETING THE CHALLENGE." Challenges continually facing the Counties in the delivery of services to adults are:

- o to enhance coordination of Adult Services
- o to maximize sources of funding
- o to deliver quality services in the long-term continuum
- o to promote and protect the quality of life for the elderly and to functionally impaired adults.

The County Welfare Directors Association (CWDA), Adult Services Regional Committees have put considerable time and effort into designing a program that will address the above challenges. There will be 11 workshops and several general sessions.

We urge you to support participation by your staff as this conference provides a valuable opportunity to bring together Adult Services staff to share ideas, discuss problems and issues, compare experiences and receive practical training in various aspects of In-Home Supportive Services and Adult Protective Services throughout the State.

The program and registration materials have been mailed to each County. Please return the registration form and payment by July 31, 1992. For questions regarding registration please telephone Lee Hunter at (510) 313-1609, and for program questions please telephone Mary Paige at (916) 372-2000.
